*U.S. Constitution For Beginners* Steve Bachmann, 2012-04-17 In a combination of witty text and illustrations U.S. Constitution For Beginners take a tongue-in-cheek look at America's most critical legal document. Author and lawyer Steve Bachmann has written a text that touches on the document's history beginning with the Magna Carta. He then traces the events that precipitated its writing, the personalities and motives of the people who create it, and its use and misuses since ratification. U.S. Constitution For Beginners analyzes crucial elements of this binding set of principles and ponders the future of the Constitution as well as the role of American citizens. Though hotly debated and constantly reinterpreted, the

Constitution has survived wars, industrialization, expansion and politicians.

**The Everything U.S. Constitution Book** Ellen M Kozak,2011-05-18 Debates over constitutional rights impact you every day as an American citizen. But do you know what the U.S. Constitution actually says? This accessible guide contains the complete text of the Constitution, with short, descriptive margin notes throughout. Articles and amendments are then analyzed in depth to help you comprehend the basis of democracy. This valuable handbook covers: How the articles and amendments were drafted Insight into the intentions of the creators and the sources they used Controversial interpretations and Supreme Court decisions How the Constitution affects citizens every day The Declaration of Independence, the Articles of Confederation, and unratified Constitutional amendments This book walks you through the history of this essential document and shows how it has guided lawmakers and judges for more than 200 years. This unbiased look at the Constitution will help you feel confident in your knowledge of this all-important document, gain a firmer understanding of how our government works, and put context around today's most pressing issues.

The U.S. Constitution for Everyone Jerome B. Agel,Mort Gerberg,1991-03-21 History comes alive in this illustrated guide to the Constitution and all 27 Amendments. The Constitution has been in the news a lot recently. But most of us could probably use a refresher on this founding document of America--you can probably name the first and second amendments, but what about the 11th, or the 22nd? And what does all of that formal political language actually mean for us today? The U.S. Constitution for Everyone answers these questions and more, like: - How does impeachment work, anyway? - How long is a Senator's term? - What is covered by freedom of speech? - What are emoluments? - How exactly does a bill become a law? This book makes understanding your rights easy with clear explanations of the complete text of the U.S. Constitution, as well as all 27 Amendments, alongside fascinating historical facts and explanations. A must-read for students, curious citizens, and everyone who'd like to know more about the supreme laws of our nation.

**We The People** Ms. Evan Sargent,2020-07-01 See the U.S. Constitution in a new light with this bold, modern and accessible illustrated guide to the document that helped define democracy.

How Washington Actually Works For Dummies Greg Rushford,2012-07-31 Get the inside scoop on the most powerful city on Earth Washington, D.C.: Capital of the Free World; the most powerful city on Earth. No other country, company, or international organization can compare with the reach and wealth of the federal government. Policymaking — the art of deciding what programs to support, what laws to pass, or what regulations to write — is at the core of what Washington does and is what everyone, from the President on down, wants to influence. How Washington Actually Works For Dummies isn't a dry explanation of the American system of government but a playbook for how Washington really works: who has a seat at the table, how the policymaking process works, and how one survives. It takes you inside the political process in Washington, discusses changes in recent decades, and explains how the parts fit together. You find out: Who really runs Washington Why

the President's power is limited How Congress (and its committee structure) works What the bureaucrats — the men and women behind the curtain — do to earn your tax dollars How lobbyists, activists, and other players influence policy In a presidential election year when economic issues are center stage and the candidates will go head to head in policy debates, there's no better time to discover the ins and outs of how policy is actually made.

Constitution Translated for Kids Cathy Travis,2008 Constitution Translated for Kids is a simple translation of the entire U.S. Constitution, written at the 5th grade level. With the original 1787 text alongside a translation, this is the first ever side-by-side look at our most supreme legal and political document. This book is an excellent learning tool for teachers and parents. A teacher's guide and resources are also available on the author's website.

**The U.S. Constitution** David J. Bodenhamer,2018 The U.S. Constitution: A Very Short Introduction explores the major themes of American constitutional history --federalism, the balance of powers, property, representation, equality, and security -- and illustrates how the Constitution has served as a dynamic framework for legitimating power and advancing liberty.

**Understanding the U.S. Constitution, Grades 5 - 8** Stange,2008-09-08 Bring history to life for students in grades 5 and up using Understanding the U.S. Constitution! This 114-page book includes text, questions, activities, and trial tests that explore the three branches of government, the Articles, and the Amendments. The book also includes a Constitution test and answer keys.

The Federalist Papers Alexander Hamilton,John Jay,James Madison,2018-08-20 Classic Books Library presents this brand new edition of "The Federalist Papers", a collection of separate essays and articles compiled in 1788 by Alexander Hamilton. Following the United States Declaration of Independence in 1776, the governing doctrines and policies of the States lacked cohesion. "The Federalist", as it was previously known, was constructed by American statesman Alexander Hamilton, and was intended to catalyse the ratification of the United States Constitution. Hamilton recruited fellow statesmen James Madison Jr., and John Jay to write papers for the compendium, and the three are known as some of the Founding Fathers of the United States. Alexander Hamilton (c. 1755-1804) was an American lawyer, journalist and highly influential government official. He also served as a Senior Officer in the Army between 1799-1800 and founded the Federalist Party, the system that governed the nation's finances. His contributions to the Constitution and leadership made a significant and lasting impact on the early development of the nation of the United States.

**The U.S. Constitution and Fascinating Facts about it** Terry L. Jordan,2012 Readers will see the entire text of the Constitution, the Bill of Rights and the Declaration of Independence and much more with interesting insights into the men who wrote the Constitution, how it was created, and how the Supreme Court has interpreted the Constitution.

**Making a New American Constitution** George William Van Cleve,2020-09-20 This is a book about constitutional

reform. Today the Constitution is a dangerous threat to Abraham Lincoln's vision of government of the people, by the people, and for the people. It served the United States well during its early years, but has numerous remarkably undemocratic features. And the Constitution has an even graver overarching flaw. It is preventing us from making reforms needed to address the collapse of the middle class and to renew our rapidly decaying social bonds. The Constitution is a massive obstruction to national unity and to our country's survival. Today we are a multicultural, racially diverse, heavily urbanized society. And we are now in danger of being governed permanently by a wealthy oligarchy. Our middle class is headed toward collapse, and our democracy cannot survive its demise. Steadily deteriorating socioeconomic conditions facing millions of poor and middle-class Americans are almost certain to result in a political crisis that may weaken or shatter our union. To avoid such a catastrophe, it will be essential for us to make extensive political, social, and economic reforms based on constitutional changes that will enable all Americans to view their government as truly fair and firmly committed to creating equal life opportunities and justice for everyone, not just for one elite class or dominant race. This book explains why the Constitution is a major obstacle to reform, and what we will need to do to create a resilient democracy. It takes a deep look at the Constitution's undemocratic features, and then explores why the Constitution also makes unworkable piecemeal reforms, such as a constitutional amendment to take money out of politics or a balanced budget amendment. The time to change our government has come. Americans can and must hold a popular convention that can achieve a constitutional grand bargain resolving divisive issues, which will renew republican government and avoid permanent authoritarian rule by a wealthy oligarchy. The book explores how a popular convention can be held, and proposes a series of essential constitutional reforms.

**The U.s. Constitution and You** ,2012 All elementary school students learn about the history of the U.S. Constitution when they begin social studies. This book tells them about the great American document itself--explaining exactly what the Constitution does as well as how it affects and protects people today.

The Constitution for Beginners David W. New,2003-03-01 This booklet provides an excellent introduction to the U.S. Constitution. Lessons are provided in the following areas: a) provides lessons concerning the three basic principles of the Constitution and constitutional law, b) provides a good introduction to each section of the Constitution, c) provides a lesson concerning how a law is made according to the Constitution and finally d) provides a lesson concerning how the U.S. Constitution is different from the state constitutions. The material provided in section (d) is rarely published in books of this subject. Also, provided at the end of the text are the END NOTES and KEY DATES FOR THE U.S. CONSTITUTION. This booklet is easy to carry for young people. It fits in your shirt pocket.

*The U.S. Constitution and Other Key American Writings* Founding Fathers,2015-07-01 “We the People of the United States, in order to form a more perfect union . . . ” — The U.S Constitution The U.S. Constitution and Other Key American

Writings is part of the Word Cloud Classics series and a collection of the crucial documents that established the United States. In addition to the Constitution, readers can study supplementary texts like the Declaration of Independence, the Articles of Confederation, the Federalist Papers, and even important speeches by early presidents. The Founding Fathers' inspirational and revolutionary ideals are all included in these doctrines, and this is a perfect volume for anyone who finds the history of America to be a fascinating and enlightening journey.

The U.S. Constitution: The Citizen's Annotated Edition Ray Raphael, 2016-10-11 A Vintage Shorts Original Selection As Khizr Khan dramatically demonstrated at this year's Democratic National Convention, the U.S. Constitution is the central point of reference in our political debates—the bedrock document from which we derive our policies on topics as diverse and galvanizing as immigration, gun ownership, voting rights, taxation, policing, and war. It dictates the structure and workings of our government; it sets forth our rights as citizens and, as such, shapes the parameters of our lives. Presidents come and go, but the Constitution remains the supreme law of the land. In this essential edition, acclaimed historian Ray Raphael guides us through the Constitution clause by clause and amendment by amendment, illuminating the origins of its content, the intentions of its framers, its evolution throughout the centuries, and its meaning today. Thoughtful and nuanced, lively and highly readable, this Constitution is for all of us to read and refer to—the ultimate political fact-checking source for every American. An ebook short

The U.S. Constitution and Other Writings Editors of Canterbury Classics, 2017-10-01 “We the People of the United States, in order to form a more perfect union . . .” — The U.S. Constitution The U.S. Constitution and Other Writings is a collection of the crucial documents, speeches, and other writings that shaped the United States. In addition to the Constitution, readers can review the Declaration of Independence, the Articles of Confederation, the Federalist Papers, important presidential speeches, and many others. Both famous and lesser-known, but equally important, Americans are represented, including Benjamin Franklin, Victoria Woodhull, Frederick Douglass, Susan B. Anthony, and even the creators of the rules of baseball. The founders' inspirational and revolutionary ideals are all here, and this is a perfect volume for anyone who finds the history of America to be a fascinating and enlightening journey.
