I Feel a Foot! Maranke Rinck, Martijn Van Der Linden, 2019-05-02 Imaginations run wild as five friends try to find out who is making night noises... Turtle and friends are fast asleep in their hammock. Suddenly, Turtle wakes up and whispers, 'Do you hear what I hear?' And so begins a detective tale with a twist. Who's making the noise? The animals in the hammock - Turtle, Bat, Octopus, Bird and Goat - let their imaginations run riot. Is it a giant bat? Or a bird with a huge beak? Perhaps it's a tur - bat - octo - bird - billy? After much guessing, it turns out to be a friendly elephant. The animals invite Elephant to join them in their hammock and soon new wild imaginings about the night noises begin all over again. **My Left Foot** Christy Brown, 2014-07-31 Christy Brown was born a victim of cerebral palsy. But the hapless, lolling baby concealed the brilliantly imaginative and sensitive mind of a writer who would take his place among the giants of Irish literature. This is Christy Brown's own story. He recounts his childhood struggle to learn to read, write, paint and finally

type, with the toe of his left foot. In this manner he wrote his bestseller *Down all the Days*.

Why You Really Hurt Burton S. Schuler, 2009-04 Describes the discovery and treatment of Morton's Toe, an abnormality of the first metatarsal bone, which may cause most foot problems, and other body aches and pains.

The Hundred-Foot Journey Richard C. Morais, 2011-03-04 I have never experienced that most subtle of senses - smell - captured so well in print. The aroma of fine cooking just floats off the pages. Don't read this book if you're hungry. You might eat it.' - Simon Beaufoy, Oscar-Award-winning screenwriter, *Slumdog Millionaire* Abbas Haji is the proud owner of a modest family restaurant in Mumbai. But when tragedy strikes, Abbas propels his boisterous family into a picaresque journey across Europe, finally settling in the remote French village of Lumiere, where he establishes an Indian restaurant, *Maison Mumbai*. Much to the horror of their neighbour, a famous chef named Madame Mallory, the Indian establishment opposite her own begins to garner a following. Little does she know that the young Hassan, son of Abbas, has discovered French cuisine and has vowed to become a great French chef. Hassan is a natural whose talents far outweigh Mme. Mallory, but the tough old Frenchwoman will not brook defeat. Thus ensues an entertaining culinary war pitting Hassan's Mumbai-toughened father against the imperious Mme. Mallory, leading the young Hassan to greatness and his true destiny. This vivid, hilarious and charming novel - about how just a small distance of a hundred feet can represent the gulf between different cultures, different people, their tastes and their destinies - is simply bursting with eccentric characters, delicious flavours and high emotion. 'Outstanding! I wished it went on for another three hundred pages.' - Anthony Bourdain

**Thinking on My Feet** Kate Humble, 2018-10-04 \*\* SHORTLISTED FOR THE WAINWRIGHT PRIZE\*\* \*\* SHORTLISTED FOR THE EDWARD STANFORD TRAVEL WRITING AWARD - TRAVEL MEMOIR OF THE YEAR \*\* A lovely, civilised and transporting read, that should have all of us stepping out to meet the world with fresh eyes.' - Hugh Fearnley-Whittingstall 'An enticing read that makes every walk Humble describes an adventure' - Ranulph Fiennes 'A beautiful and magnificent book. A paean to a simple act. I defy you to read this book and not be inspired to walk, march or hike - and as a result live a better life more connected with nature and the world around you.' - Simon Reeve 'A lovely book, fast-flowing yet at every turn giving the reader pause for thought. Kate Humble makes a delightful companion, her words full of sunshine and the raw pleasure she radiates as she encounters life in its many unexpected forms.' - Benedict Allen 'I've discovered that going for a daily walk has become as essential to me feeling good for the rest of the day as that first cup of tea. But I would argue that all I am doing is responding to a natural need we all have. Humans have always been migrants, the physiological urge to be nomadic is deep-rooted in all of us and perhaps because of that our brains are stimulated by walking. I solve all sorts of problems, formulate ideas, work things out to that gentle rhythm of self-propelled movement.' - Kate Humble *Thinking on My Feet* tells the story of Kate's walking year - shining a light on the benefits of this simple activity. Kate's inspiring narrative not only records her walks (and runs) throughout a single year, but also charts her feelings and impressions throughout -

capturing the perspectives that only a journey on foot allows - and shares the outcomes: a problem solved, a mood lifted, an idea or opportunity borne. As she explores the reasons why we walk, whether for creative energy, challenge and pleasure, or therapeutic benefits, Kate's reflections and insights will encourage, motivate and spur readers into action. Also featured are Kate's walks with others who have discovered the magical, soothing effect of putting one foot in front of the other - the artist who walks to find inspiration for his next painting; the man who takes people battling with addiction to climb mountains; the woman who walked every footpath in Wales (3,700 miles) when she discovered she had cancer. This book will inspire you to change your perspective by applying walking to your daily endeavours. \*PRAISE FOR THINKING ON MY FEET \* 'A diary of sorts, charting a year of wonderful walks through the sun, wind and rain...each entry builds an image of her life in the great outdoors...it sounds idyllic to say the least.' - Sunday Express, S Magazine 'These are 365 days of inspiration to get out and, sometimes literally, smell the flowers.' - Wanderlust Magazine 'Humble's book about going for a walk can inspire absolutely anyone to make a change. Because all you have to do is step outside the front door.' - Waitrose Weekend 'Witty, enlightening and often startlingly profound' - Country Walking Magazine

**Writing Without Bullshit** Josh Bernoff, 2016-09-13 A complete guide to effective modern business writing that helps you cut the bull and get to your point faster. Writing Without Bullshit is the first comprehensive guide to writing for today's world: a noisy environment where everyone reads what you write on a screen. The average news story now gets only 36 seconds of attention. Unless you change how you write, your emails, reports, and web copy don't stand a chance. In this practical and witty little book, you'll learn to front-load your writing with pithy titles, subject lines, and opening sentences. You'll acquire the courage and skill to purge weak and meaningless jargon, wimpy passive voice, and cowardly weasel words. And you'll get used to writing directly to the reader to make every word count. At the center of it all is the Iron Imperative: treat the reader's time as more valuable than your own. Embrace that, and your customers, your boss, and your colleagues will recognize the power and boldness of your thinking. Transcend the fear that makes your writing weak. Plan and execute writing projects with confidence. Manage edits and reviews flawlessly. And master every modern format, from emails and social media to reports and press releases. Writing Without Bullshit is The Elements of Style for the Internet era, an essential tonic for the career of every serious businessperson.

**Who Do You Say I Am?** Joanne Grenfell,2024-08-30 Poetry, prayers, art and scripture meditations come together to create a reflective guide for personal and corporate devotion on the events at the heart of the Christian story from a contemporary, urban perspective. Focusing the death and resurrection of Christ, this is suitable for year-round use as an alternative form of the Stations of the Cross, but also with a special significance for Holy Week and Easter. Arranged in 14 sections, reflections by Joanne Grenfell and sonnets by Adam Atkinson explore discipleship in today's world, touching on contemporary themes such as identity, truth telling, violence, abuse, racism, and belonging in relation to being a follower of Jesus. Each is powerfully illustrated with original paintings by artist Ali Mulroy. The prayers are written in the first person as a devotional response to all that has gone before and each opens with a line from a fresh rendering of the Lenten Prose. The book springs from a series of talks given at St Paul's Cathedral in Holy Week 2023.

Needless to say, my mate, Wesley, rejects me on the spot. I'm not good enough for him—too bad he won't get rid of me after our night together. Not when I'm carrying his baby. The Wild Woman's Way Michaela Boehm,2021-11-09 As pragmatic as it is compassionate, this intimate, humorous, and ultimately relaxing invitation to re-wild yourself, stripping away all that is not your true nature, will leave you inspired and curious to discover the wild woman within (Lissa Rankin, MD, New York Times bestselling author of Mind Over Medicine). For the high-achieving modern woman today, having a successful career, a fulfilling romantic relationship, and a satisfying personal life can feel like opposing goals. It has even become difficult to take the time to enjoy the simple pleasures in lives. We are stuck in go-mode, damaging our romantic relationships, pleasure, and creativity. But what if there were a way to experience the simplest pleasures of our lives on a deeper level, freeing the body and psyche from these destructive patterns? Beyond our current stereotypes about femininity lies the ancient wisdom of the Wild Woman archetype, a model of building a feminine body intelligence. By embodying this archetype and using tantra--not just in the bedroom, but also to build intimate connections to our senses and physical movements--we can break harmful psychological patterns. In The Wild

Woman's Way, Michaela Boehm shares practical rituals and exercises drawn from years of experience as a celebrity relationship and life counselor and an expert in tantric yoga. She reveals the power of different types of touch, while also training you in forms of meditation and stretching that increase activity and sensual pleasure.
