**Cambridge Global English Stage 4 Teacher's Resource** Nicola Mabbott,Claire Medwell,Jane Boylan,2014-06-19 Cambridge Global English is a nine-stage language-rich course for learners of English as a Second Language, following the Cambridge International Examinations curriculum framework. Teacher's Resource 4 provides step-by-step guidance notes for teachers for each lesson in every unit to support teaching the content of Learner's Book 4. Notes on Activity Book 4 are also included. A unit overview provides a snapshot of lesson objectives and the language and skills covered. The notes include answer keys to activities in the Learner's Book and Activity Book, complete audio scripts, suggestions for differentiation and assessment, cross-curricular links, portfolio opportunities and additional unit-linked photocopyable activities and unit-based wordlists.

**Interchange Level 3 Teacher's Edition with Assessment Audio CD/CD-ROM** Jack C. Richards,2012-11-12 Interchange Fourth Edition is a fully revised edition of Interchange, the world's most successful series for adult and young-adult learners of North American English. The course has been revised to reflect the most recent approaches to language teaching and learning. It remains the innovative series teachers and students have grown to love, while incorporating suggestions from teachers and students all over the world. This edition offers updated content in every unit, grammar

practice, and opportunities to develop speaking and listening skills. Interchange Fourth Edition features contemporary topics and a strong focus on both accuracy and fluency. Its successful multi-skills syllabus integrates themes, grammar, functions, vocabulary, and pronunciation. The underlying philosophy of the course remains that language is best learned when it's used for meaningful communication.

*Writing and Editing for Digital Media* Brian Carroll,2017-06-26 Writing and Editing for Digital Media teaches students how to write effectively for digital spaces—whether writing for an app, crafting a story for a website, blogging, or using social media to expand the conversation. The lessons and exercises in each chapter help students build a solid understanding of the ways that digital communication has introduced opportunities for dynamic storytelling and multi-directional communication. With this accessible guide and accompanying website, students learn not only to create content, but also to become careful, creative managers of that content. Updated with contemporary examples and pedagogy, including examples from the 2016 presidential election, and an expanded look at using social media, the third edition broadens its scope, helping digital writers and editors in all fields, including public relations, marketing, and social media management. Based on Brian Carroll's extensive experience teaching a course of the same name, this revised and updated edition pays particular attention to opportunities presented by the growth of social media and mobile media. Chapters aim to: Assist digital communicators in understanding the socially networked, increasingly mobile, always-on, geomapped, personalized media ecosystems; Teach communicators to approach storytelling from a multimedia, multi-modal, interactive perspective; Provide the basic skill sets of the digital writer and editor, skill sets that transfer across all media and most communication and media industries, and to do so in specifically journalistic and public relations contexts; Help communicators to put their audiences first by focusing attention on user experience, user behavior, and engagement with their user bases; Teach best practices in the areas of social media strategy, management, and use.

*Integrated English: Gateways: 2: Teacher's Book* Irene Frankel,1997-10-30 Core vocabulary is explicitly presented, practiced, and applied, so beginners can start communicating immediately. A logical, carefully structured grammar syllabus provides a firm foundation for communicative exchanges. Task-based pair and small-group activities give maximum practice and ample opportunities for personalization. Realistic, task-based speaking, listening, reading and writing activities reinforce grammar and vocabulary. High-interest, cross-cultural topics provide a context for meaningful language learning. Conversation management strategies in each unit give students the tools they need to handle real-life English. Strategy Session review units present and practice important learning strategies that help students 'learn how to learn'.
